RE: USA V EMMANUEL BARRIENTOS, 20 CR. 634 (SHS)

Judge Stein,

At our last conference where we set the trial date in this matter I indicated to the Court that I had certain medical issues which were being evaluated.

I have been diagnosed as having Prostate Cancer and an Aneurysm of the Aorta.

Last week treatment by radiation was ordered for the Prostate Cancer. This will prevent me from going to trial on the scheduled date of August 9th, 2021 if we do not reach a resolution.

I respectfully request that the trial if needed be rescheduled. The radiation therapy ends on or about September 30th, 2021 at which point I should know how I am doing so that we may reschedule the trial if necessary.

My client has a general idea of my situation however I plan on seeing him in the next week to give him details.

I have notified the prosecutor of my situation by phone.

Respectfully yours,

Jon M. Silveri, Esquire
Jon M. Silveri, Esq.
